KE9JJ, WA9OKR and W9VQD have all safely returned from Dayton with a little leas in the pocket, but richer in experience. It appears that they all had a great time and met a number of old friends. No one has said anything about the great deal they got. Either it was so good they have to keep it a secret, or they were never in just the right place at the right time.

During the last month, more members of MRAC have become silent keys. The following have been confirmed at press time.

K9IWC - C. Reid Whipple, a member since 1978

W4QED - H. Ellis Baxton, a member since 1948

WM9Z - Bill Reed (ex W9PAB), a member since 1988

Both Reid and Ellis had been very active in the club in past years. Our condolences to the family and friends of these gentlemen.

ELECTION RESULTS: Chris Walton, WD9GZL, withdrew his name from consideration as treasurer due to an imminent move to Arkansas. Good luck in this venture, Chris. As a result, Dean Kiefer, KB9DNE, agreed to take his place on the ballot. There being no contested offices, a motion was made to have the secretary cast a single unanimous ballot. The motion was approved. Club officers for 1990 are:

President - Ed Wille, W9PWG.

1st VP - Travis Baird, W9VQD

2nd VP - Fred Linn, W9NZF

Secretary - Ed Seruga, KE9JJ

Treasurer - Dean Kiefer, KB9DNE

Directors - Roger Zahn, W9UVV; Marv Rutishauser, WB9PKL;

Jack Krause, W9JK

The new officers will be installed at the June meeting.

The Milwaukee Chapter of 10-10 International will be having an informal breakfast meeting on June 10th at the Old Country Buffet located at 4902 S. 27th St. The group will be there from about 9:00 - 10:30 AM. All interested are invited to attend.

Thomas Fenna, N9IJW, has a complete HF station for sale. He recently changed cars and the rig won't fit in the new one. Included are an ICOM 730 all-band xcvr, an Astron RB-10M ps, an MFJ 422B Keyer and an ICOM HM-10 mic. He is asking \$600 firm. If you are interested, contact him at (414)-377-7335.

Don't forget the Spring Get-Together Dinner will be held on June 14th at Tanner Paull Restaurant in West Allis. Remember to get your

reservations in by June 7th.

The annual auction went well with a number of bargains available. Those of you who missed it this year will have another opportunity next May, perhaps with some of the same goodies making their appearance.

Apologies to Ed Wille, W9PWG, for getting his name wrong in the last issue. Unfortunately, the spell checker wasn't smart enough to figure out that my fingers had gotten on the wrong keys. Just goes to show that you can't depend on computers for everything.

The next meeting of MRAC will be held on June 24, 1990, at the Wauwauteosa Savings and Loan Building, 7500 W. State St. The doors will be open about 7 PM and the meeting starts at 7:30.

The MRAC-VEC will be conducting license exams next on June 6 at Wauwauteosa East High School, Rm 256 starting at 7:00 PM. Bring your current license (if any) and TWO (2) photocopies, another form of ID and \$4.75 for the exam fee (note - Novice exams carry no fee). Walk-ins are accepted. For information call Jack Krause, W9JK, at 774-6999. This will be the last testing session prior to September.

Anyone with information for the newsletter can call 463-7668, please leave the message on the answering machine. All calls are screened. You may also mail it to Hamateur Chatter, 5618 N. 41st St., Milwaukee, WI, 53209.

Below is a map which should help in finding your way to the MRAC Field Day site. I hope to see many of you there sometime during the weekend.

CU next month.
